## **OLOL WORLD CUP a - thon**

Dear parents,

Every second year our school holds a major fundraising event. This year, it is in the shape of a 'World Cup a-thon.' This exciting event will be held on Friday, 15th June, 2018. During the World Cup a-thon the children will participate in a range of fun, educational and sporting activities with a soccer theme. The children will be divided into multi age country groups and will dress in the colours of their country. Parents are invited to attend and watch the festivities. As part of the occasion children are asked to seek as many people as possible to sponsor them to complete the events on the day. Sponsorship cards accompany this letter.

### **What do sponsors do?**

Sponsors pledge a donation to the school for your child completing the events. We are asking that each child try and raise \$30, but of course you can raise much more. Once children have gathered their sponsors, the completed sponsorship cards can be brought into school. Pledges will be noted and a class tally kept. **No money** needs to be sent at this stage.

Following the World Cup a-thon teachers will validate the cards and sponsorship money should be collected and brought to school. For every \$5 collected the children will receive a raffle ticket and go into the incentive prize draw. There are a number of incentive prizes on offer for those children who collect and return their money by the due date. Children who bring in more than \$30 will receive bonus raffle tickets for every \$5 raised over the \$30 total.

### **When do you send money and sponsorship cards in?**

All money should be sent to the school by Friday, 29th June. The final incentive draw will be held on this day and the total raised by each class tallied. The class who raise the most money will receive a pizza party on Tuesday, July 3rd.

### **What is the money for?**

We encourage all families to support this important fundraiser. Money raised will go towards resurfacing the basketball court.

### **Help needed**

In addition to financial support we also require parental assistance to run the day. If you have attended the Parents as Educators course and including the online child protection module and are able to assist us on the day please complete the form below.

We look forward to sharing this day with you and raising money to support our school.

Thank you in anticipation,  
Carol Cividin Assistant Principal

✂

### **WORLD CUP A-THON HELPER**

I have attended the Parents as Educators course in either 2017 or 2018 including the online child protection module and am willing to assist with an activity on the day.
