Respect Responsibility Readiness to Learn Dear Parents,

What a lot happened in the world over the holidays. Two beautiful and peaceful places, France and Turkey were rocked by the violent actions of a few and America's trouble with race, violence and guns continues. Innocent lives are lost and loved ones left damaged and alone.

At times like this we need to consider the message of love that Jesus gave to us. He too lived in troubled times and suffered because of this, but never gave up hope and gave us hope of better days through his resurrection.

He also gave us the story of the Good Samaritan who helped his tribal enemy who was robbed and left for dead. Jesus told this story to answer the question of the young man, "Who is my neighbour?" It is easy for us to ignore our neighbours when we feel safe and secure in Australia, but all are deserving of our love.

Our World Youth Day teachers are currently in the Philippines, working in schools in an area devastated by a cyclone and poverty. No doubt our baby clothes donated by the school community are already being put to good use by the families. They filled two suitcases!

You can follow the Parramatta Diocese pilgrimage with your children online at <u>parrawyd.org</u>. They may be the pilgrims of the future, spreading love and courage rather than fear and hate.

Inside the Newsletter today is some news about winter uniform that I urge you to read. It's sometimes hard to know what uniform to send the children to school in particularly on days like today when we sadly had to cancel our carnival again! As long as the children are in correct sports or regular school uniform (not a combination of both) it will NEVER matter if they wear the wrong uniform on the wrong day. For the children that may worry about this - a note to the classroom teacher will reassure the child.

With regards, **Lesley Studans**

PARISH WINTER SLEEPOUT

What is it?

The OLOL youth are holding the winter sleepout to raise awareness of those in our wider community who are homeless. There will be activities and games as well as testimonies and other reflection activities to assist all those attending understand the plight of those less fortunate in our community and also prompt action through continued future works of mission in our parish and beyond by our youth.

When is it on? And where??

The sleep out will commence on Saturday 6th August after the Vigil Mass (from about 7:00pm) and conclude with the 9:30am Youth Mass on Sunday 7th August. It will be held in the parish hall.

Who can come?

The sleepout is for anyone from Our Lady of Lourdes Parish community, aged 10 and over. It includes members (or prospective members!) of our "Four2Eight" youth group (for kids from Year 4 to Year 8) as well as older members of our senior youth and young adults (from Year 9 upwards).

This activity will be well-supervised but does require volunteer parents and clear parental permission. Details are in a note sent home to Stage 3 students and also from the Parish Office.

OUT AND ABOUT

Welcome back to Term 3.
I hope that parents and students enjoyed the break and

are ready for the busy term ahead. The weather over the holidays has been cold and it will be important at the beginning of this term for students to dress warmly to ensure that they remain healthy over coming weeks. We are fortunate at OLOL that our classrooms are air conditioned so we are generally warm when inside but of course it is when we are on the playground before school and at break times that we need to ensure that we are dressed appropriately. At the last Parent Group meeting of last term a number of parents raised concerns re the warmth of the outer jacket which forms part of our winter uniform. They expressed interest in getting a school jumper for added warmth. We have followed up on this request and at our next Parent Group meeting in Week 3 (Wednesday August 3rd) Mrs Beth Polo, who coordinates our uniform shop, will come to the meeting and show samples of jumpers which may form part of the uniform. Unfortunately due to manufacturing constraints these jumpers will not be available until next year and will be sold on a pre-order basis. I encourage as many parents as possible to come to the meeting to have a look at the new addition to our uniform. In the interim, however, it is important that all students wear the correct uniform. Wearing our uniform with pride is about being part of our community and part of our school rules. Our uniform policy is available on the website and is distributed to all parents on enrolment. Therefore only school jackets are permitted to be worn as the outer garment of the uniform. If parents are concerned about warmth then a navy jumper/sloppy joe may be worn under the jacket or thermal wear can be worn under the long sleeve school shirt. Outer jackets, other than the school jacket are not permitted and students will be asked to remove these and wear their school jacket. I am sure that parents will support the wearing of the correct school uniform. It signals pride in being part of our community. If any parents have concerns over our uniform policy please feel free to contact me.
